

# Wedding Invitations

## HERE IS WHAT YOU SHOULD INCLUDE WITHIN YOUR WEDDING INVITES

### Your names

Your full name and your partners full name

### Their names

Name each person who is invited and specify if it's just them or the kids and/or plus one.

### Your wedding date and time

Adding the date is obvious, but don't forget to include the ceremony start time on the invitations. If they are just invited to the evening reception make this very clear.

### Your venues

If you're holding ceremony and reception at different locations, make sure to add the full venue name and address, plus their website and contact details so guest can contact them directly re directions etc.

### RSVP

What is the latest date you want to know by? How do you want them to contact you? Make it easy

### Gift list

Let them know their options, or if you prefer money. This will help your guests know what you like.

### Inserts

Sometimes you may need to provide additional details such as parking options, places to stay or directions from ceremony to reception venue. If there is a dress code or specific theme.
